Take Time

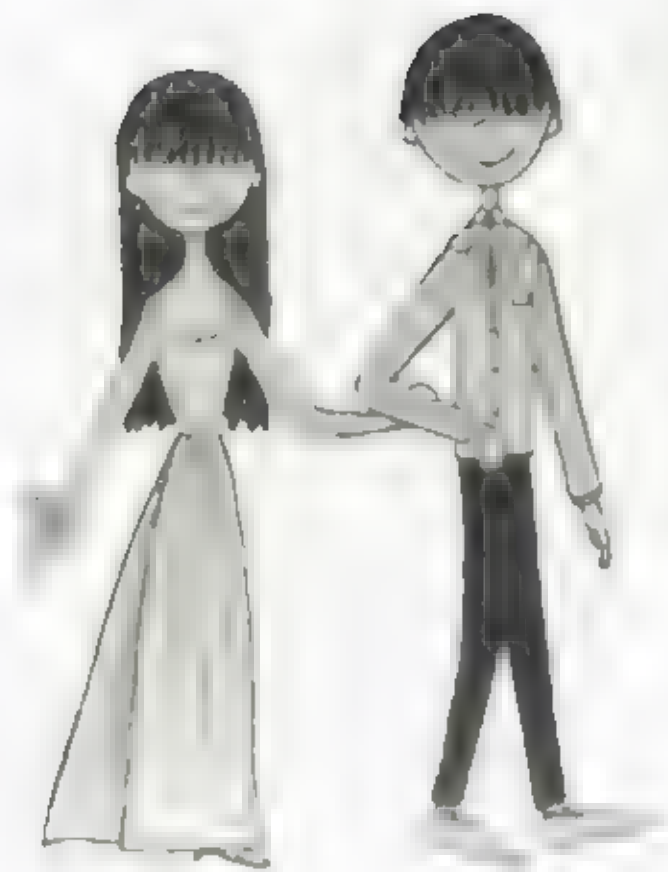

By participating in the many varied activities offered at A.H.S., one can greatly expand his abilities. Although the main emphasis is placed on scholastic standings, different organizations help develop a sense of physical, cultural, and moral well-being. Each of these groups in turn emphasizes a stronger sense of leadership, integrity, and cooperation. The versatile student soon finds there is a time for play as well as work—a time for everything.

"Lovely Queens

Homecoming this year was extra special for six lovely and deserving girls who made up the royal court. The radiant queen, Jill Glencoe, and her five attractive senior attendants presided over a victorious game and a festive Homecoming dance.

Junior Varsity: Cassie Marchio; Helen Gerten; Connie Kauffman, Linda Gardner, Pat Spears; Barbara Baird

The pep and enthusiasm shown during many sports events can be accredited to twelve hardworking and high jumping cheerleaders. Both Varsity and J V. squads roused school spirit with cheers and amusing skits. Under their leadership the student body has cheered the team on to many victories. Their capable advisor is Mrs. Phyllis Sanders.

They're Our Arrow-ettes

Rain, snow, hail, or sleet can't stop the Arrowettes from backing our A.H.S. basketball team. Captained by Jean Tucker, this group of 36 girls pledge their allegiance to our Arrows, even when the most adverse of conditions

prevail. Their attire, striking black and orange outfits, is still another sign of their Ashland patriotism. True school spirit is reflected from this fine organization of girls.

Guide Staff Pulls Through Again

The Guide Staff's task is to put together, in a certain number of pages, the high points of a school year. Because this is such a difficult job, each member of the staff must work diligently until the final deadline.

The 1966 Guide Staff has labored hard, trying to capture every event that later will bring a fond remembrance. The pictures are to be constant reminders of your 1965-66 year at VHS. Remember, memories are made of these.

The "Panorama," Ashland High's bi-weekly school paper, is efficiently produced due to the energetic efforts of the members of the "Panorama" staff. The juniors and seniors, who make up this conscientious staff, work daily to edit the paper. Mrs. Plank, the school's journalism teacher, advises the staff,

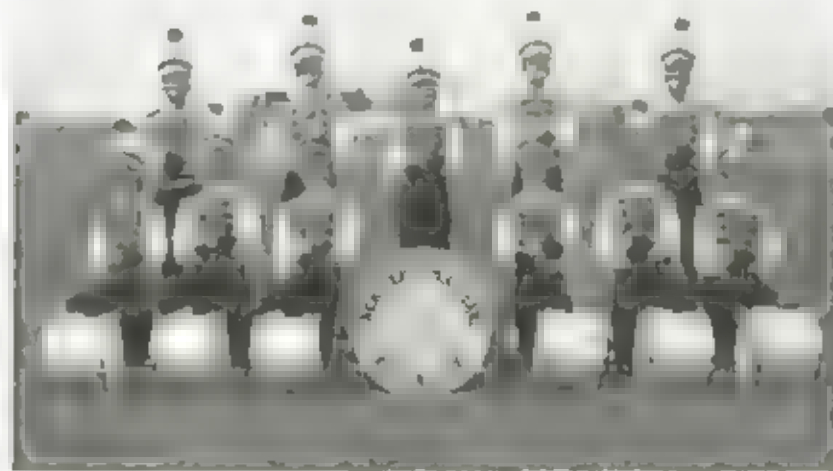

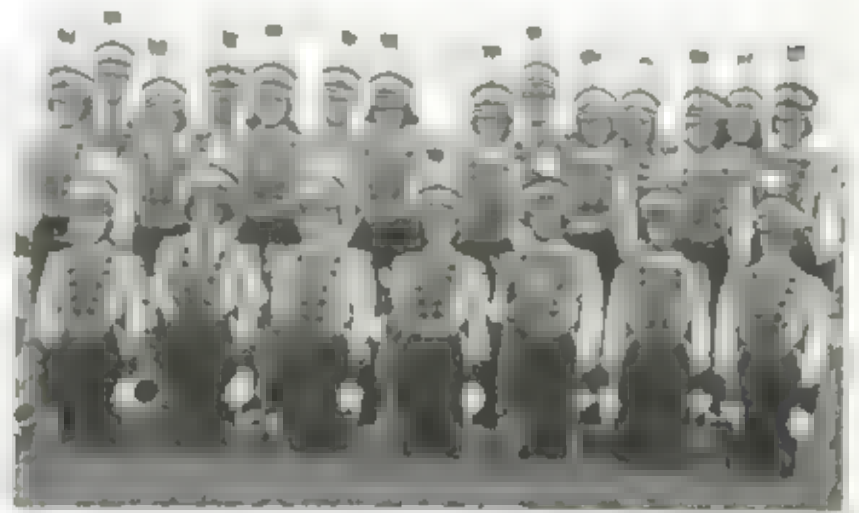

making sure things are in fine order

Although these people get little thanks for the tremendous job they do, they are extremely satisfied when they see the teachers and students contentedly reading the finished product of their forceful attempts—the "Panorama."

Concert and Marching Band

In concert or in marching down the field, the A.H.S. band presented its audience with pleasurable listening. Directed by James Thomas, this versatile group entertained with music of many tempos, rhythms, and styles.

For the football half-time shows, these Ashland musicians often stepped up the pace with spicy marches and other lively numbers. In assemblies, however, it was quite possible to hear soft sounds from these once blaring instruments.

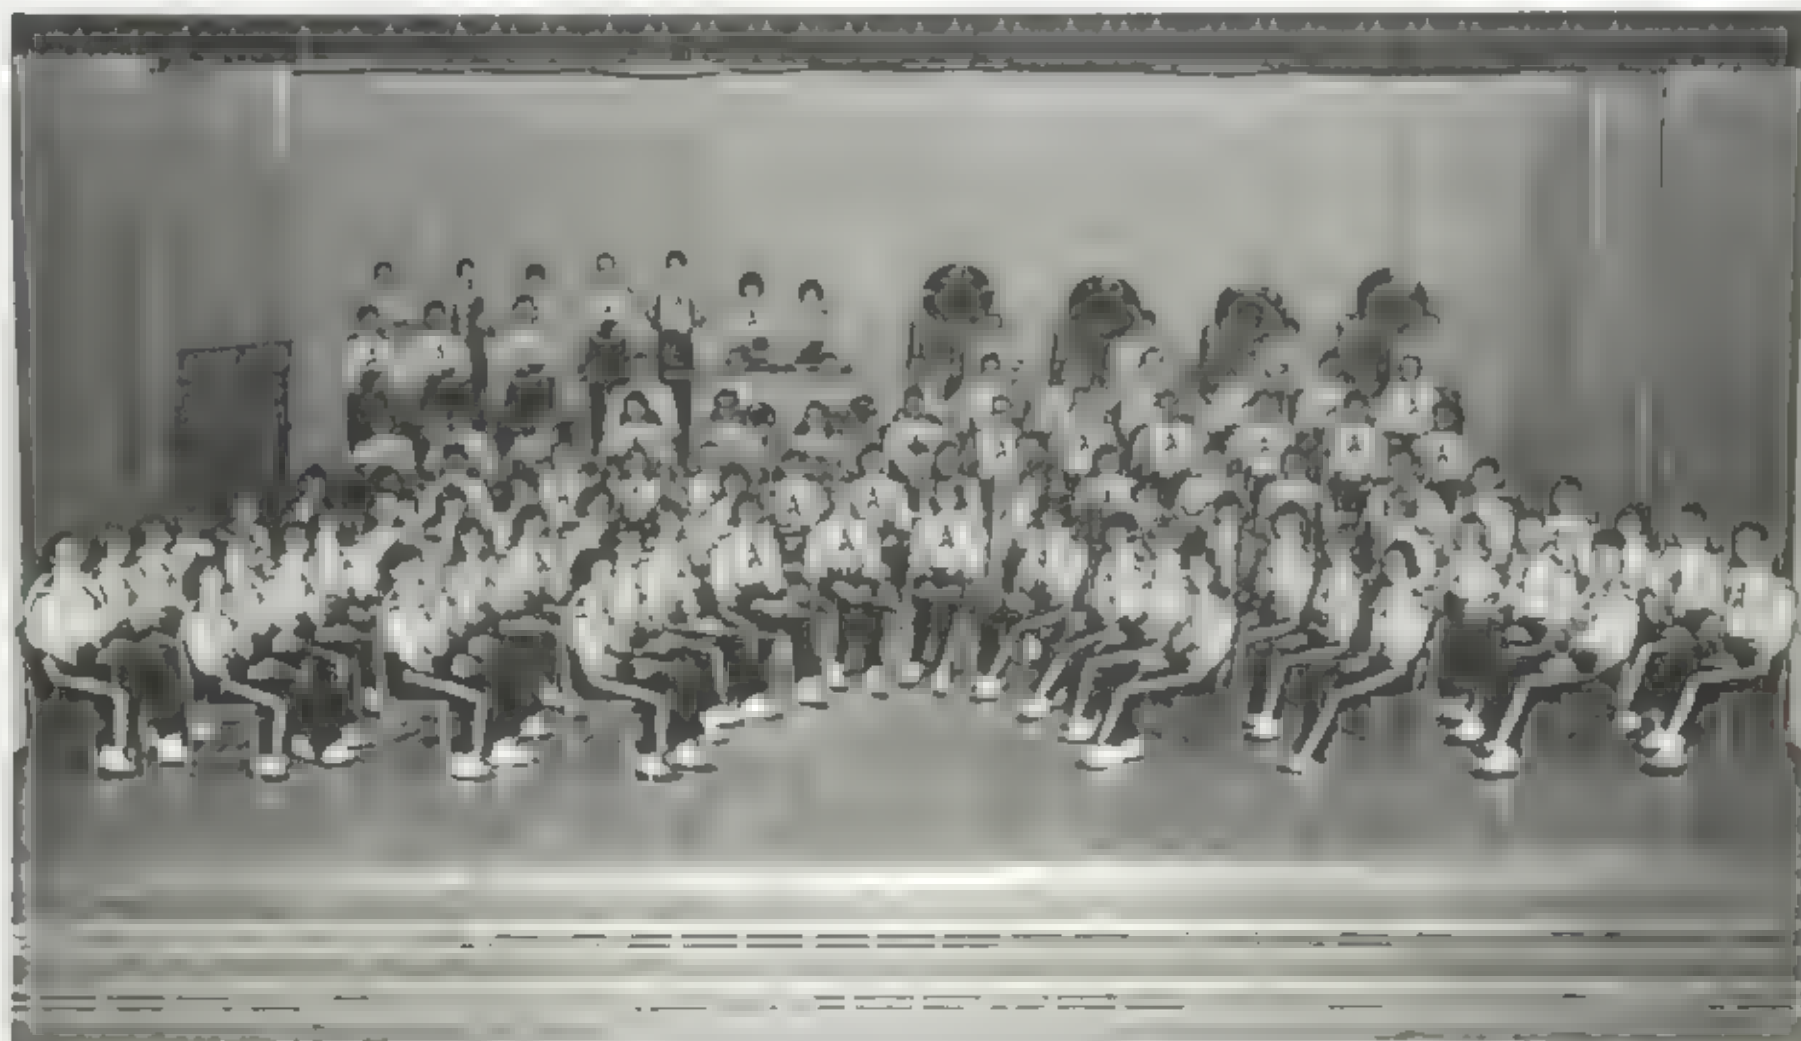

While parading or while performing on stage, this fine high school organization came through with true musical success.

Under the capable direction of Mrs. Cecilia Kopp, the 1965-66 "Sweet Sixteen" danced their way into the spotlight of many football half-time shows. Home or away, these high steppers executed the intricate dance routines with precision and poise. These eighteen talented girls also added much to local parades with their orderly marching. This unit is a fine representation of ability for Ashland High.

Orchestra

The sweetest Sounds one can ever hear come from Ashland High School's orchestra

These mellow tones can sometimes be heard during assemblies or concerts. However, Mr. James Thomas, director, sees to it that the major group effort is put forth when producing the A.H.S. musical. This select group must blend perfectly if they are to sound right when backing each singer or when, alone, presenting a selection. The rich sounds which do come forth prove, without a doubt, the success of their efforts

Under the direction of Clifford Hurst, the Ashland High School A Cappella Choir royally entertained many audiences. With their rich, ever-blending voices they found it easy to enhance those who had come to hear them sing. Their performances ranged from singing long and lovely concerts to singing one or two delightful pieces of music at an assembly or business meeting.

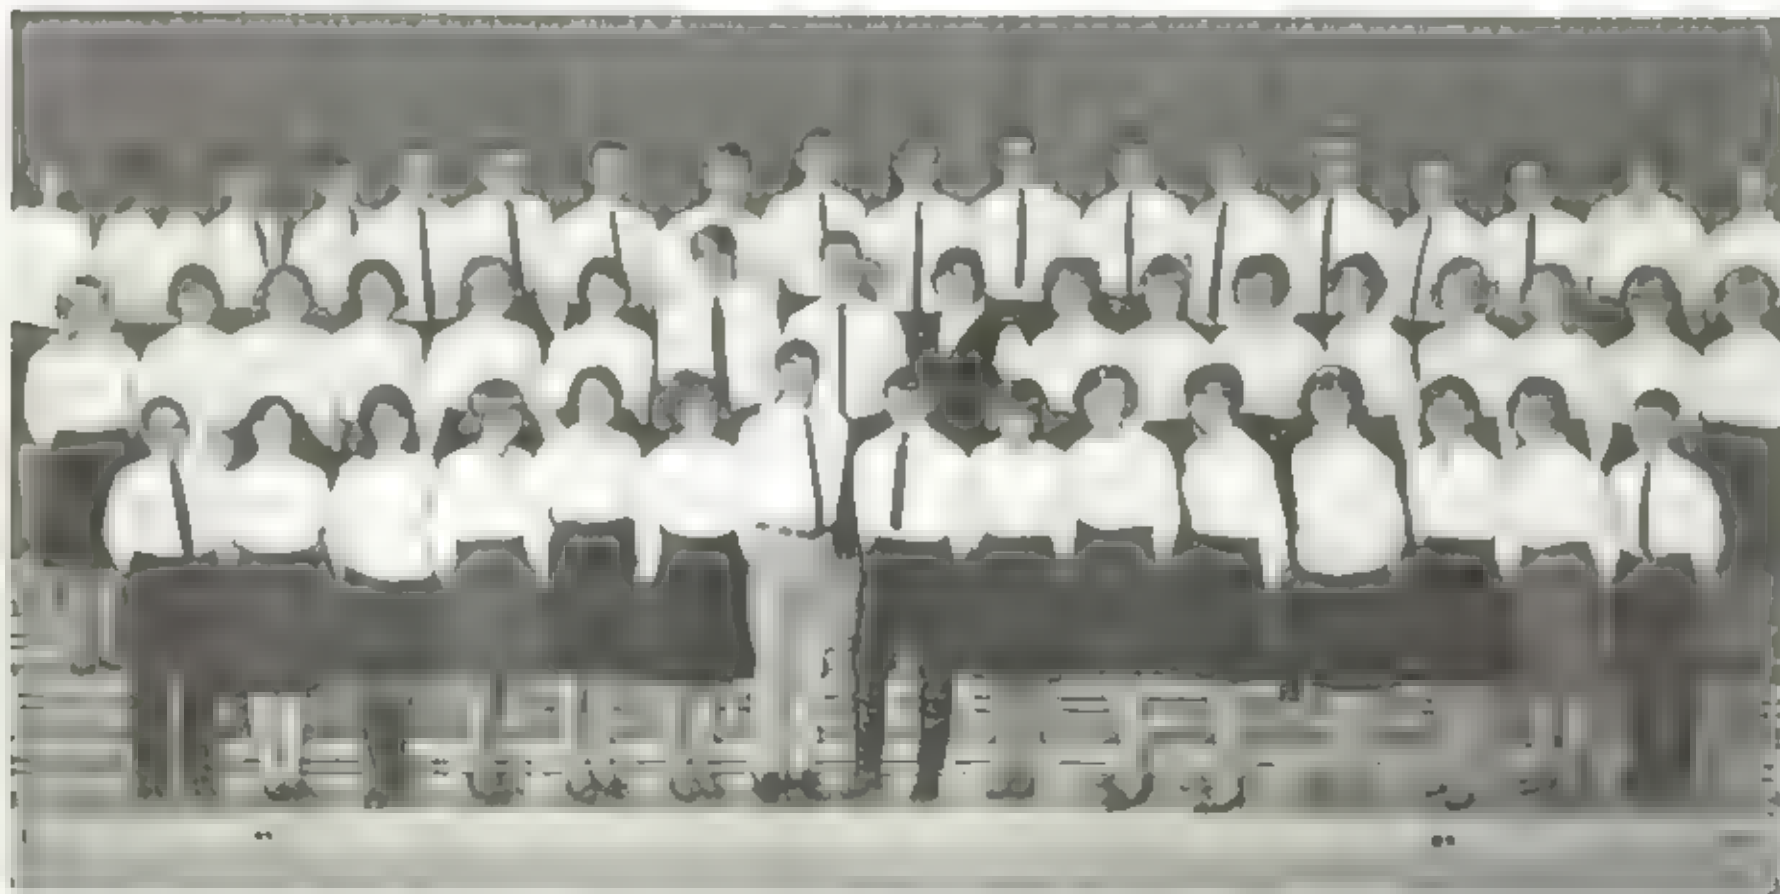

Without a doubt, this beautiful music will long echo in every heart.

My Fair Lady

Five Singing Leads

Musical

The 1966 musical, *My Fair Lady*, couldn't have been fairer! This entertaining, song-filled play was based around Professor Henry Higgins (Tom Ferguson), a famed scholar of the English language, and Eliza Doolittle (Melanie Schussler), a poor, uncultured flower girl. The fun begins when Higgins makes a wager with his colleague, Colonel Pickering (Fred Reeder), betting he can pass this "awful scum" of a girl off as a princess by teaching her correct and highly proper English.

The antics get even more hilarious when Eliza's father, Doolittle (Eddie Highman), intervenes. A touch of romance is also added by Freddy (Warren Hutson), a young gentleman, taken by Eliza's ways.

These five leads carried the show in the highest manner. But all the credit certainly can't be given to them alone. The chorus and dancers backed them up, adding even more of a sparkle to the show.

In a democratic society, every person is given an equal opportunity to voice his opinion. The students of A.H.S., living in such a society, can offer their ways of thinking, too, through such an organization as Student Council.

This Student Government makes it possible for anyone to submit ideas to a Student Council Representative, thus adding new thought for improvement in our school policy.

In Student Council, the hardworking members sponsor many activities which raise the standard of the students in A.H.S. In doing this, they hope to gain the respect and admiration that our school deserves.

Future Teachers of America is an organization for both boys and girls who are considering teaching careers. Members may gain experience and earn service points by helping in the library, offices, or laboratories; acting as guides for sophomore orientation, Open House, and College Night; tutoring students; or grading papers.

Some of the club's activities this year included providing clothing, toys, entertainment, and food for four underprivileged children at Christmas; initiating a

fifty-dollar scholarship for a graduating FTA senior who plans to enter the teaching profession; hosting the Delta Kappa Gamma, the honorary teachers' sorority which is contributing an additional fifty dollars to the FTA scholarship; sponsoring the Bundle Day Collection for Save The Children Federation; and honoring seniors during the Awards Banquet held at Perkins Pancake House.

Future Homemakers of America

Senior F H A

The Ashland Senior F.H.A. Chapter selected the theme "Making Friends Through F.H.A. at Home and Abroad" to center their projects around this school year.

The chapter started the girl-of-the-month, girl-of-the-year, and Big Sister projects to increase interest and membership in their chapter.

The members enjoy helping people in every way possible. They prepared 12 baskets of fruits and cookies to give to the older citizens of the community at Christmas time. The group collected toys, clothing, and food

for a needy family, and sang Christmas carols for the residents of the Good Shepherd Home.

The Chapter had a variety of speakers during the school year and learned about careers in mental health, the Dutch people and their cooking habits, and children and the families around the world.

The biggest event in the last months of school is an annual banquet where awards are presented.

Another important event is the State Convention which is attended by four girls. One girl will be selected to sing in the F.H.A. state chorus while other girls will be voting delegates.

Senior Hi-Y

Although Senior Hi-Y convened only a few times during the year their meetings were interesting and worthwhile. To learn more about the world around them this fine group of boys were shown slides and told of Mr. Murray's visit to Europe and the Holy Land.

Also a once professional ball player from Sandusky spoke to them. Because this man was a member of the *Fellowship of Christian Athletes*, he imparted to these students the importance of fair play, not only in athletics, but also throughout life. Too, in preparation for the future, the Tri-Hi-Y met with the Hi-Y to discuss plans that should be made before marriage.

This organization shapes the fine teenagers that are members into finer young men of the future.

Socii Latini

Latin Club

In Latin Club, as in other clubs, friendships, leadership, and a sense of responsibility are developed as the members work together. But Latin Club is also different. It enriches the Latin course by furnishing an opportunity to learn more about the Romans of ancient times and their many contributions to civilization.

The Latin Club meets the third Monday of every month, after school. Some of the meetings are spent in planning activities. At others, there are cultural activities, such as the showing of slides of Rome by those

who have traveled there.

The meetings follow a definite procedure. The members respond to the roll call by saying, "Absum" (I am present). Then the officers take over. The *consul* presides. The *aedile* is responsible for the programs. The *quaestor* keeps account of the treasury, and the *censor* records the minutes.

Among the activities of the club this year were Christmas caroling, giving a Christmas basket to a needy family, and holding the annual Roman banquet. A picnic concluded the year's activities.

Parlez-Vous Francais?

French Club

After an absence of quite a few years, a French Club was organized at Ashland High School. Under the direction of Mrs. Plice, Miss Smith, and Miss Graves, the French Club listened to Dr. Bihardi of Ashland College and saw slides of life in France. Also, in order that these students may learn to speak French more

fluently, one meeting was devoted solely to the members presenting short plays, speaking entirely in French.

It is very evident that a membership in this organization insures a person of many enriching experiences. This excellent club greatly broadens one's outlook on France, French people, and customs.

FACULTY

Mr. Bill L. Earhart
President

Ashland High School has always been run smoothly and efficiently. The dedicated and hardworking men and women who make up the administration are the ones who deserve the credit for accomplishing such a task.

The superintendent of the schools is at the head of this group. Next comes the Board of Education. Together, these people make out the general procedures that must be followed. Decisions, such as these, can only be made after many hours of thought.

The principal and assistant principal are a duo that must co-ordinate their work and ideas to keep the school running intact.

Mrs. Bessie Bixler
Vice President

Miss Jane Meuser
Clerk-Treasurer

Mr. Burl Spence

Mr. Hugh Troth

Dr. E. F. Little

No matter how fine a job they do, they must have the co-operation of the people who work for them if they are to have a truly successful school system. In this group are the unsung heroes—guidance counselors, school nurse, secretaries, and office help—who aid in the time of sickness, need, and confusion. Also included is the faculty. These are the fine teachers; but more than that, they are every student's friend

A.H.S. has an administration that is rare. Very seldom does one find such fine people all working toward the same goal, an organized and well-run educational system. And, with pride, each of us can say our school has reached that goal

FOOTBALL

For the fourth consecutive year, the high flying Ashland Arrows have won the title of Cardinal Conference Champs in football. This Great team marched on to victory due to the tremendous efforts exerted by every individual on the squad. One such individual is three year letterman Roosevelt Robinson, All Ohio "Back of the Year." During his high school career, Rosie carried the ball 4,085 yards, scoring 408 points. Also, among the nine lettermen who returned, are Joel Smith and Larry Funk, both of whom won honors on the All-Ohio team. In addition, much recognition should be given to head coach, Lloyd Dunne, and his coaching staff who molded these boys into fine athletes. This outstanding team ended the season with an 8-1 record and with state ratings of 17th and 18th in the AP and UPI polls, respectively.

CROSS COUNTRY

Bob Nusbaum's Cross Country team ran at a fast pace to place second in the Cardinal Conference. Three skilled lettermen—Jerry Miller, Greg Bell, and Don Connolly—helped to rate Ashland fourth in the Mansfield District and sixth in the Mansfield Invitational. However, their overall record of three wins—five losses was quite a disappointment to this fine squad.

Losing only two members through graduation, next year's squad should be highly successful. Tom Thomas, Steve Patterson, Richard Goldsmith, and Jerry Miller are the returning lettermen which should provide Coach Nusbaum with a winning season. The experience obtained by these boys will surely prove beneficial next season.

Varsity Basketball

Led by returning lettermen Larry Funk, Denny Humrichouser, Jim Messner, Tom Roberts, Roosevelt Robinson, Joel Smith, and Ned Wachtel, the 1965-66 varsity basketball team greatly improved over last year's 6-12 record, ending the season with 13 wins opposed to 7 losses. Although the team won only one game in tournament play (against Shelby) before bowing out with a 68-75 loss to Lexington, it had a very successful season. The arrows beat such teams as Cleveland John Kennedy (a team which beat Cleveland East Tech, the city champion, in tournament play), Elyria, the 8th-ranked team in the state, and Mansfield Senior, our ever-present arch-rivals.

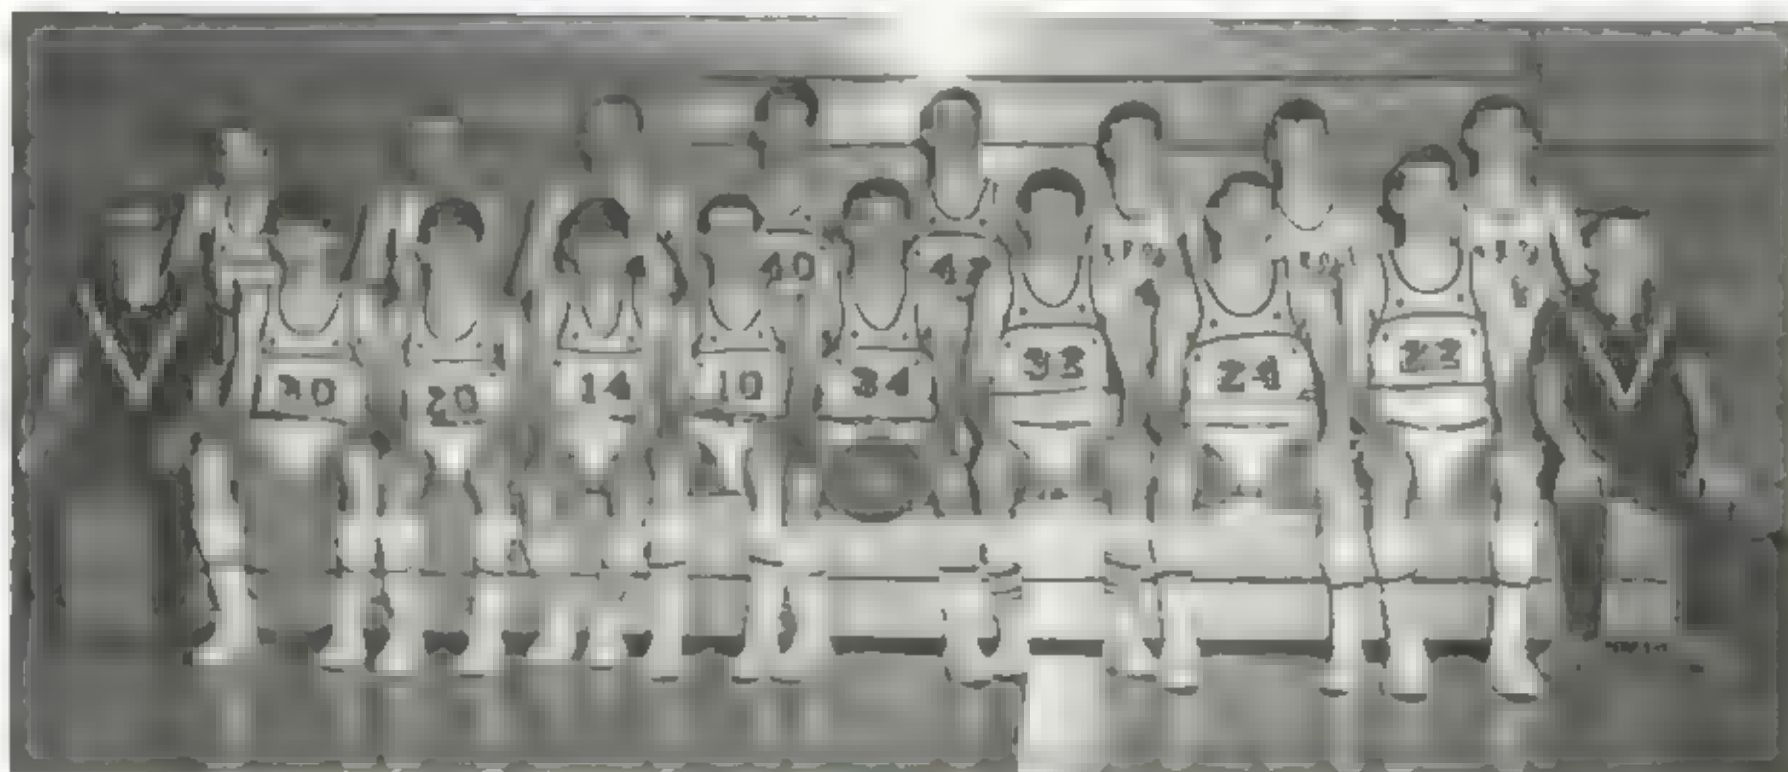

Roosevelt Robinson led the Arrows in statistics. He had the highest point average (17.6) and was second in rebounding with 118. In addition, Roosevelt was selected for 1st team Cardinal Conference honors. Tom Roberts led the team in rebounds (207) and was second in foul shots, making 71%. Joel Smith was first in foul-shooting with 73% and third in rebounding, grabbing 114 off the boards.

This year we are paying a special tribute to Coach Marchio for the fine job he has done this year as well as in past years in molding a good team. He has truly shown his knowledge of basketball through his coaching at Ashland Senior High School, compiling a very impressive record in recent years. With returning lettermen Ned Wachtel, Jim Messner, and Denny Humrichouser, along with other members of the squad, Coach Marchio should again have another successful season next year.

Swimming Team

For the Ashland Swimming Team, coached by Mr. Robert Nushaum, the 1966 season was one of success and betterment. Their '66 record of 7 wins, 10 losses, opposed to the record of 2 wins, 9 losses last year, reflects the improvement and hard practice these boys had to under-go.

Much credit can be given to the 9 returning lettermen who gave their experienced skills to this squad. But, many thanks and much praise have to be given to the new members, who also helped to pace the Arrows.

Out of this group, Tom Newkirk and Vince Napoli qualified for the state meet, a high honor that again shows the capability of this fine Varsity Swimming Team.

Wrestling

For wrestling coach Barry Ferguson, this was literally a year of "ups and downs!" However, his wrestlers managed to remain on top as many times as they fell to defeat, thus, ending the 1966 season with a record of 5 wins—5 losses.

Although Doug Kendall was the only returning letterman, the other grapplers went through their paces with the skill that only many strenuous work-outs can perfect.

These boys, though only taking 5th place in the Cardinal Conference, managed to capture 2nd and 3rd in the J. C. Gorman Tournament and the Sectional, respectively.

George Valentine's varsity golfers finished the 1965 season in fine order by winning all 15 of their dual matches. Despite this fine record and 8 lettermen who returned to offer their skills, the Ashland team only finished fourth in the Cardinal Conference.

Bob Espenschied's reserve team also had a respectable record—100 wins, 44 losses.

BASEBALL

The 1965 baseball season found Bat Plank's varsity squad a hard-hitting ball club. Because of the determination and skill of the boys and the experience added by four returning lettermen, this team ended with a winning record—14 wins—9 losses—1 tie.

The reserves, coached by Ed Bush, also ended with a remarkable record 8—1—1.

TRACK

The 1965 track team, coached by Mr. Doug Diercks, ended the season with a disappointing record of the two wins—five losses. Because eight lettermen returned to give the squad an extra boost, this Arrow team finished fifth in the Cardinal Conference.

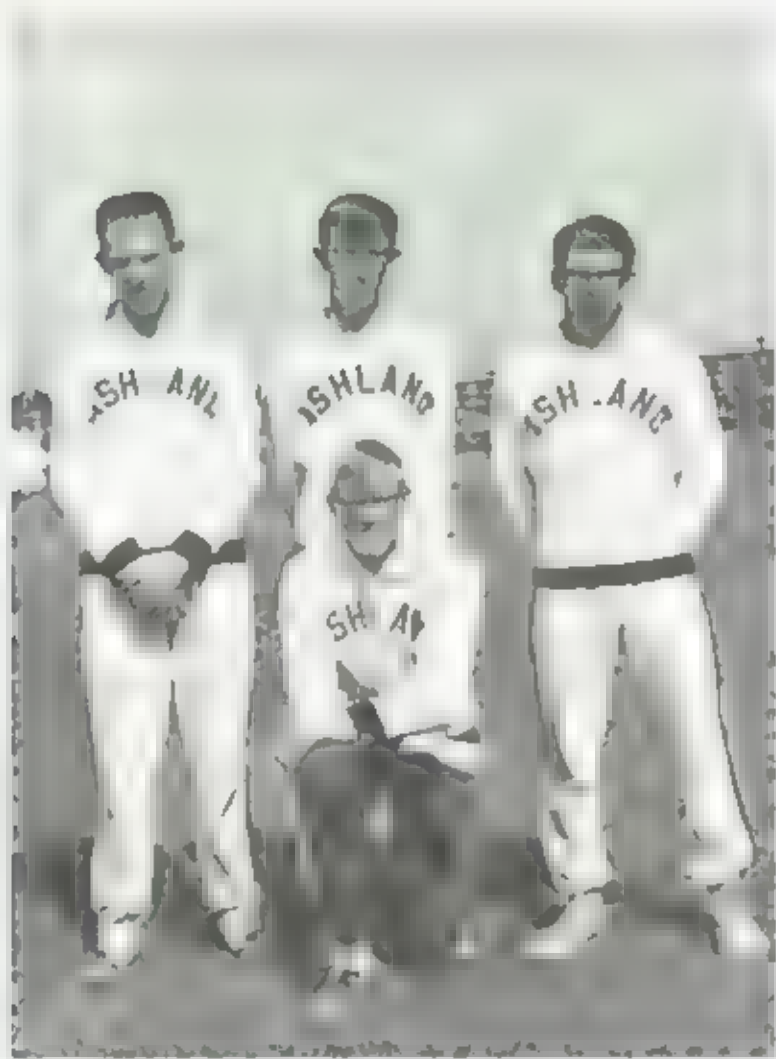

Coach Diercks is looking for a more successful season next year as many of this year's runners will return to add more experience and skill to the 1966 squad.

The 1964-65 tennis team ended the season with a record of two wins and nine losses. Even though three-year letterman Jeff Spence returned, backed by lettermen Tom Rogers, Jeff Gapstur, and Rick Spreng, along with Pete Zehner, the team could only chalk up enough points to place fifth in the Cardinal Conference. The bright spots in the season were the two wins over Coshocton, with final score reading 7-0. A number of the fine athletes that he molded this year will return next season to make the tennis team victorious.

...the last, not of a grain of mustard seed, shall go
into this mountain. Remove therefore, under glass, and
it shall run, and nothing shall be impossible unto you.
Mat. 17:20

I was very much surprised
to find you had been so long
in the city. I have been
very busy lately, but I am
glad to hear from you.
I hope you are well and
happy.

Your friend,
John
